

We are pleased to announce that BIMTECH is the first academic institution which has received the grant to set up the " Atal Incubation Centre " and was selected out of 3658 applicants.

BIMTECH has been selected to set up the "**Atal Incubation Centre - BIMTECH**" with the support of **NITI Aayog**, under the **Atal Innovation Mission, Government of India**. The objective of the Atal Incubation Centre - BIMTECH is to create high class incubation facilities with suitable physical infrastructure in terms of the equipment and operating facilities coupled with the availability of sectoral experts for mentoring the start-ups so that innovators and start-up businesses can become successful entrepreneurs and enterprises.

We will be accepting applications for the 1st cohort from 1 November, 2017 onwards. Stay tuned for further updates or get in touch at aic.bimtech@bimtech.ac.in
