

Fellow Programme in Management (FPM)

Executive Fellow Programme in Management (EFPM)

(Approved by AICTE, Ministry of HRD Govt. of India)

ABOUT THE INSTITUTE

The Birla Institute of Management Technology (BIMTECH) was established in 1988 under the aegis of the Birla Academy of Art and Culture. The Institute is supported by the B.K. Birla Group of Companies.

Late Dr. (Smt.) Sarala Birla, Chairperson of Birla Academy and Sri. B K Birla, Chairperson of the B K Birla Group of companies are the founders of this business school. The Institute is governed by an eminent Board of Governors mostly drawn from the top echelons of industry, academia and regulator.

The fully residential campus of BIMTECH is located in the National Capital Region (NCR). Its ambience is predominantly green. It has an enviable infrastructure fully connected with Wi-Fi facility.

Over 60 faculty members with brilliant academic and industry track record engage the students and research scholars. Their efforts are supplemented by inputs from guest faculty serving the industry in senior positions working in areas like manufacturing, marketing, finance, operations and strategy. Presently, four bright, young research fellows and 58 part time scholars are carrying out research on industry relevant issues.

The academic pursuits of students are fully supported by a modern, well stocked library and seven state of art data bases. BIMTECH has international academic tie ups with several leading European, American, Asian and African centres of management education under which there is a regular exchange of students and faculty.

vision

To be known for developing ethical global leaders and entrepreneurs striving for sustainability and inclusive growth.

mission

- To be the preferred choice for students, faculty and recruiters.
- To create and disseminate knowledge in global context.
- To imbibe entrepreneurial culture through curriculum, pedagogy, research and mentoring.
- To equip students for global business leadership. To develop faculty as global thought leaders.
- To ingrain ethics, sustainability and inclusive growth in all its activities.

CENTRE FOR RESEARCH STUDIES

The Centre for Research Studies conducts doctoral programme besides conducting research seminars, conferences and workshops. It has been one of the earliest centres of its kind in private business school in the country. The Centre has influenced policy and structure of many organizations through its research output. The Centre offers a Fellow Programme / Executive Fellow Programme in Management under the aegis of AICTE. This programme is run on the pattern of that offered in leading IIMs.

Objectives

- Equip students with skills of effective learning.
- Equip students with skills to design doctoral research.
- Equip students with skills to conduct doctoral research.
- Equip students with ability to produce publishable research outputs.

THE KNOWLEDGE REOURCES

BIMTECH Knowledge Centre

BIMTECH Knowledge Centre is an essential component of BIMTECH's research and education effort. The combination of carefully selected traditional and digital resources and supported by exceptionally fast response service provides BIMTECH community with a library that is worthy of this world class institution.

The enthusiastic Library management, commitment of talented Library staff and the support of top management make the Library a most lively place on the campus providing friendly environment that enables learning and advancement of knowledge. It extends research and publication assistance to postgraduate students and research scholars. Seven top data bases assist in research.

BIMTECH's Knowledge Centre is well equipped with precious Books, Textbooks, Reference Books, Periodicals and Journals. The students/researchers can freely access these books and references. It is supported by a large well ventilated two floored reading-room. It has a separate section for research scholars.

The Library is enriched with digital facilities and computer system. Free access to them is made available to the students, ex-students, research workers, faculty, staff and visitors. The library frequently displays and exhibits various books, particularly new arrivals.

LIBRARY COLLECTIONS

Books	69,167
Periodicals/ Journals	184
Online Journals	7,800+
Company Databases	27,000+
Non-book materials	3,134
E-Photographs	39,000

Publications

BIMTECH publishes the following academic Journals / Bulletin / Newsletters:

Journal

- Business Perspectives
- South Asian Journal of Business & Management Cases

Newsletters/Bulletin

- Shodh Gyaan
- Vritant

E-Resources

The Knowledge Centre subscribes to the following online resources:-

- EBSCO
- Ivey Publishing
- Passport GMID (Euromonitor)
- Indiastat
- DELNET
- Proquest
- Crisil
- Prowess
- Turnitin

THE PROGRAMME

Fellow Programme in Management (FPM)

Fellow Programme in Management (FPM) is a full time residential doctoral level programme. The Institute has introduced this programme, which is approved by All India Council for Technical Education (Ministry of HRD, Govt. of India), with an objective to groom talented young researchers to be transformed into innovative thinkers and real world solution providers seeking opportunities in academics or industry. The FPM effectively draws from the research strengths of faculty members at BIMTECH who have cutting-edge research competence. This programme is both academically rigorous as well as highly relevant to the needs of today's globalised business.

In addition to training future researchers in the domain of business education, this programme also serves to boost research capability and to invigorate motivation and creativity. FPM scholars are expected to be involved as research/teaching assistance and strive to be co-author with faculty members making it a win-win proposition for the scholars as well as the mentors.

The research focus of FPM programme leads to state-of-art research insights. This contributes both to the research scholars getting new knowledge and to the institute in bringing the new knowledge to the classroom. Leading Business schools around the globe, without exception, have this feature in their curriculum.

FPM is aligned to our mission of creating and disseminating knowledge in global context which suitably places our Fellows as future faculty and industrial researchers. It embodies our assurance to being a class apart; being innovative. Ultimately, it enables us to have a superior impact on academia as well as industry. This programme is a full time programme. Those admitted in this programme are provided scholarship and residential facility.

Executive Fellow Programme in Management (EFPM)

The Executive Fellow Programme in Management (EFPM) at BIMTECH approved by All India Council for Technical Education (Ministry of HRD, Govt. of India) is a non-residential doctoral level programme designed to gratify the erudite needs of working business executives. EFPM students are required to attend classes only on Saturdays and Sundays during the course work. It prepares executives for careers in management teaching and research as well as in management practice and consulting. EFPM scholars are required to attend course classes on weekends i.e. on Saturdays and Sundays only. The programme is built on the executives' past experience and academic achievements. It helps the executive maximize his/her effectiveness as an educator or practitioner. The programme helps the executives in their current management roles as well as in preparing them for possible careers in academia, industry or consulting. The EFPM is designed to enhance the research and consulting skills of the executive. The Programme is also expected to increase the executives' understanding of research methodology and techniques applicable in business.

Best Thesis Award

Every year the best thesis is awarded the Jagdish N Sheth Award, which comprises a cash award of Rs. 50,000. Application is invited from candidates who have submitted the thesis during the year of the award (July to June). The applications are considered by a committee which goes through the thesis and interacts with the candidates to decide the best thesis.

Areas of Research

Building on the strength of BIMTECH faculty, currently FPM/EFPM is offered in following business disciplines:

- Business Communication
- Business Economics
- Corporate Governance
- CSR & Sustainability
- Decision Sciences
- Entrepreneurship
- Finance & Financial Services
- Human Resource Management
- Marketing
- Operations Management and
- Strategic Management

The Candidates are expected to enroll in one of the broad area stated above prior to commencement of the programme. They may be allowed to change the area till the end of the course work. Once the thesis proposal is approved, any change in topic is generally not allowed.

FPM / EFPM ELIGIBILITY CRITERIA

BIMTECH looks for candidates with a consistently good academic record, professional accomplishments and a strong urge to contribute to the movement of knowledge creation and dissemination in the field of management. A candidate for FPM/EFPM should have:

- A master's degree or equivalent in any discipline with at least 60% marks or equivalent grade point average recognized by AICTE /AIU with a Bachelor's degree /equivalent qualification after completing higher secondary schooling (10+2) or
- Five year integrated Masters Degree Programme in any discipline with at least 60% marks, obtained after completing higher secondary schooling (10+2) or equivalent.

Experience and Age Requirements for EFPM

In addition to the academic qualification, candidates applying for EFPM need to have a minimum of 5 years of managerial/executive/teaching experience. The minimum age limit for EFPM Programme is 28 years.

Selection Process for FPM / EFPM:

A candidate who wishes to be considered for the FPM or EFPM Programme must submit a detailed application in the prescribed form, available in the Office of the Centre for Research Studies (CRS) or the web site (<http://bimtech.ac.in/programmes/doctoral/>) of the Institute, clearly spelling out the motivation for joining the Programme and the knowledge domain of research interest. Candidates who have appeared/are appearing for the CAT/GMAT/UGC-NET (two years from the date of the standard test and should be valid on the deadline of submission of the application form) or have taken BIMTECH's doctoral entrance examination will be shortlisted on the basis of the details in the application form and the scores of aforementioned tests. Only the shortlisted candidates will then be called for interview at BIMTECH Campus.

Date for test shall be announced on BIMTECH website or communicated telephonically / by e-mail to the applicants. Interested candidates may contact office of the Centre for Research Studies (CRS) for further inquiry. Information bulletin of the program along with admission form is available in the office of CRS on payment of Rs. 1500/- by Bank draft payable to Birla Institute of Management Technology. Application can also be made on the form downloaded from website accompanied with a demand draft of Rs. 1500/- in the name of Birla Institute of management Technology payable at New Delhi.
