

Job Title: Assistant Professor – Strategy

Department: Strategy, Innovation, Entrepreneurship & CSR

Position Type: Full-Time, Faculty

Job Description:

BIMTECH invites applications for the position of Assistant Professor with a specialization in Strategy. The successful candidate will contribute in educating the next generation of business leaders, advancing research in the field, and contributing to the institution's growth initiatives.

Key Responsibilities:

1. Teaching and Course Development:

- Deliver Strategy Area related courses like Strategic Management, Design Thinking, Business Simulation & other courses of the Area.
- Contributes to active teaching during an academic year, ensuring engaging and student-centered learning experiences.
- Contribute to the development and improvement of curriculum in the Strategy area.

2. Research and Publications:

- Publish research papers in reputed journals, in compliance with the Institute's policy.
- Actively engage in scholarly activities, such as Conference presentations, Articles, and contribute to the advancement of knowledge in the field.

3. Institution Building:

- Participate and lead activities that contribute to the Institution's growth and development.
- Collaborate with colleagues of Strategy Area to enhance the performance of the Area.
- Undertake any other tasks assigned by the Director; Dean of Academics, Area Chair or the competent authority, which may include other academic, or Institution related responsibilities.
- Foster a culture of continuous improvement and innovation within the Area and the institution.

4. Consultancy and Research Projects:

- Explore, secure, and manage consultancy or research projects in the field of Strategy, Innovation, Entrepreneurship & CSR.
- Collaborate with industry partners and organizations to bring real-world challenges to the students and generate valuable insights through research.

Qualifications:

- Ph.D. in Strategic Management (Strategy Area).
- Fresh PhD's are also encouraged to apply.
- Few years of Teaching experience will be preferred.
- Strong commitment to team work & institute building activities.
- Proven ability to foster an inclusive and collaborative learning environment.
- Good communication and interpersonal skills.

We look forward to welcoming a dedicated and passionate Assistant Professor to our Strategy, Innovation, Entrepreneurship & CSR Area, who can inspire the students, conduct meaningful research, and contribute to the institution building.
